

Mantis Side/Wall Mount

Part No. MBS005

Common Uses for this mount::

- Consoles and side walls on boats
- Deck railings
- Walls
- Other vertical surfaces

Dimensions:

- 6.8" L x 4 W x 6.3" H

Contents:

- 1 Side/Wall Mount
- (powder-coated aluminum)
- 4 #10 x 1" Stainless Screws

1. MARK AND DRILL HOLES

Using the mounting bracket as a template, pencil the hole locations onto the mounting substrate. With a 1/8 inch diameter bit, drill 4 holes in the marked positions.

2. INSTALL BRACKET

With a Phillips screwdriver, install the bracket, using the 4 supplied screws. Be sure all screws are securely tightened. If using Pro-Techt's optional back plate in conjunction with the deck mount, refer to the instructions that come with the back plate.

3. INSTALL MANTIS

Now place the Mantis assembly onto the vertical post of the bracket, and lock in place. *Refer to the manual supplied with Mantis for detailed instructions.*
